

Window & Door Installer – Glass Technician

MacEwen Glass and Mirror

2-191 C Line, Orangeville, Ontario

Full-time, Permanent

Do you have experience installing residential windows and doors? Sealed units or custom shower glass? How about commercial aluminum? MacEwen Glass is the place for you if you have a proven history with any of these types of installs and are looking for a full-time position with local, year-round work with a competitive wage and benefits.

MacEwen Glass and Mirror is hiring an experienced Glass, Window, and Door Installer looking to eventually becoming a team lead, to join their family-owned and operated business in Orangeville, Ontario. Our company supplies and installs sealed units, shower glass, mirrors, windows, doors, in addition to a variety of other glass products for commercial and residential clients.

Wage: \$30-\$40 an hour – based on experience

Benefits:

- Dental Care
- Vision Care
- On-Site Parking (meet at our shop and take company truck to jobsites)

Schedule: 7:30am - 4:00 pm, Monday to Friday – ability to work overtime as assigned.

What can MacEwen Glass offer to you?

- Working with an established and reputable company, operating in Orangeville for over 30 years with the same phone number and under the same name!
- Year-round employment
- High volume of a mix of residential and commercial projects
- Experience with a variety of glass products
- Primarily work in Orangeville and surrounding areas

- Paid each week.
- Benefits package available after probationary period
- We operate out of a shop with a retail storefront (not a truck or our garage)

What MacEwen Glass needs from you

- Willingness to learn and teach others – KEY!
- Ability to be a team leader and a knowledge resource for other employees.
- Requires minimal supervision.
- Strong attention to detail with a focus on quality.
- Respectful of client and company property and equipment.
- Safety-oriented.

Responsibilities

- Ensuring the preparation of materials, installation sites, and equipment
- Install doors, windows, custom shower glass, mirror, commercial aluminum, glass and other related products.
- Diagnose and service requests for window, door, and other product repair and maintenance requests.
- Performing interior and exterior finishing of installations
- Professional, positive client interaction and satisfaction
- Travel to client worksites and suppliers.
- Safely and properly load, secure, transfer, and unload tools, materials, equipment, and supplies to and from workstations and other areas.
- Safe handling of glass, mirror, tools, and other products.
- Measuring and cutting of glass, mirror and other materials
- Install and/or replace glass and mirror products, including windows and doors, using hand and/or power tools.
- Examine and test doors and windows to ensure proper functioning.
- Follow instructions from supervisors.
- Ensuring cleanliness and safety on job sites
- Train and instruct any assigned employees.
- Keep company vehicle and equipment clean, presenting a professional image.

- Other duties as assigned including but not limited to shop cleaning and equipment maintenance.

Qualifications

- Experience successfully completing glass, window, and/or door installations without supervision.
- Sealed Unit Replacement (5 Years Minimum)
- Residential Window and Door Installation Experience (3 Years Minimum)
- Exterior Caulking Experience (3 Years Minimum)
