

Labourer – FULL-TIME PERMANENT EMPLOYMENT

MacEwen Glass and Mirror

2-191 C Line, Orangeville, Ontario

Full-time, Permanent

Do you have construction experience? Are you looking to grow your skillset? Do you want to work locally? This is a full-time position with year-round work and benefits.

MacEwen Glass and Mirror is hiring a Labourer, looking to eventually becoming an independent installer and team lead, to join their family-owned and operated business in Orangeville, Ontario. Our company supplies and installs sealed units, shower glass, mirrors, windows, doors, in addition to a variety of glass products for commercial and residential clients.

Wage: \$22-\$28 an hour – based on experience

Benefits:

- Dental Care
- Vision Care
- Apprentice Program
- On-Site Parking (meet at our shop and take company truck to jobsites)

Schedule: 7:30am - 4:00 pm, Monday to Friday – ability to work overtime as assigned.

What can MacEwen Glass offer to you?

- Ongoing training to advancing to an experienced glass technician, leading your own crew, with a corresponding wage.
- Working with an established and reputable company, operating in Orangeville for over 30 years with the same phone number and under the same name!
- Year-round employment
- High volume of a mix of residential and commercial projects
- Experience with a variety of glass products

- Primarily work in Orangeville and surrounding areas
- Paid each week.
- Benefits package available after probationary period
- We operate out of a shop with a retail storefront (not a truck or our garage)

What MacEwen Glass needs from you

- Willingness to learn and put that knowledge to use – KEY!
- Ability to be a team player that can follow detailed instructions.
- Require minimal supervision.
- Strong attention to detail with a focus on quality.
- Respectful of client and company property and equipment.
- Safety-oriented.

Responsibilities

- Assist Crew Leader in preparing for and completing day-to-day site activities.
- Perform physical labour including heavy lifting to execute all elements of each job.
- Professional, positive client interaction and satisfaction
- Travel to client worksites and suppliers.
- Safely and properly load, secure, transfer, and unload tools, parts, equipment, and supplies to and from workstations and other areas.
- Safe handling of glass, mirror, tools, and other products.
- Measuring and cutting of glass, mirror and other materials
- Install and/or replace glass and mirror products, including windows and doors, using hand and/or power tools.
- Examine and test doors and windows to ensure proper functioning.
- Follow instructions from supervisors.
- Perform on-site cleanup duties.
- Assist Crew Leader with employee instruction and training.
- Other duties as assigned including but not limited to shop cleaning and equipment maintenance.

Qualifications

- Confident working on ladders and at heights – indoors and outdoors
- Proficient and dependable with strong attendance and safety record.
- Construction/Trades Experience an asset
- Able to comfortably lift and unload weights over 50 pounds.
- Ability to work in all weather conditions – Yes, we work outdoors.
- Possesses hand tools and associated knowledge required to perform work duties.
- Valid Class G class driver's license in good standing with clean driving abstract.
- Reliable transportation to and from the workplace.
- Previous experience with glass, windows, and doors an asset but not required

Skills

- Ability to communicate and interact professionally with clients and co-workers while working in stressful public situations.
- Ability to operate effectively as a member of a work crew, however able to work independently with minimal supervision while on assignment.
- Must be able to read work orders and related material.
- Must be able to understand numbers as they relate to dimensions.
- Ability to work in metric and imperial measurements.
- Manual dexterity

Working Conditions

- Must provide your own CSA approved safety footwear.
- Physical demands require standing, walking, climbing, sitting, pulling, pushing, and lifting of equipment and materials as required.
- Working conditions include an outdoor environment with exposure to inclement weather.

Experience: One Year Construction/trades experience (Preferred)

License: Drivers License G - Ontario (Required)

Work remotely: No

How to Apply:

Send a copy of your resume to info@macewenglass.com or submit it in person at 2-191 C Line, Orangeville during our office hours. Cover letter is not required.
